Sulaiman Faris

MSc Computer Science @Universität Rostock |AI & Machine
Learning | Data Science & Analytics
Germany

Summary

I am a Master's student in Computer Science with foundational knowledge in Data Science, AI, and software development.

I am exploring areas such as AI, Machine Learning, Data Science, and Analytics, with a strong interest in applying data and computational methods to solve real-world problems.

My focus is on developing practical skills through projects and research that bridge theory and real-world applications.

Education

Universität Rostock

Master of Science - MS, Computer Science · (April 2025)

Anna University

Bachelor of Engineering - BE, Computer Science · (2020 - 2024)
